TAKE ME OUT TO THE BALLGAME! *County Dogs and Cats Available for Adoption at PETCO Park on Sunday*

Several animals from one of the County of San Diego's shelters will head to the ballgame at PETCO Park on Sunday, August 8 for a special adoption event. The event is part of an ongoing series to showcase local animal shelters and their adoptable pets.

Staff and volunteers from the county's Department of Animal Services (DAS) will be on hand to answer questions about pet adoptions and hand out pet care information.

"We encourage the public to stop by the DAS booth to meet the dogs and cats waiting for a new home and family to call their own," said Dawn Danielson, Acting Director of DAS.

Applications will be accepted for each available pet and appointment times will be given to potential adopters so that they can complete the adoption process at the shelter the following week, once the application is approved.

The DAS booth at PETCO Park will be open from 10 a.m. to 3 p.m. on Sunday, August 8. The Padres game begins at 1:05 p.m.

The County of San Diego Department of Animal Services is proud to be a part of the PETCO Park Adoption Sundays Program.

For those who can't make it to the ballgame on Sunday, the DAS website has pictures and information about animals waiting to be adopted. The website is www.sddac.com.
